

Honor an Outstanding Educator: The Alliance for Early Childhood's Teacher Tribute

The Alliance for Early Childhood is a collaborative, community organization that supports and guides families and educators to nurture the healthy, well-rounded development of children from birth to eight years old. We invite parents in our community to participate in our long-standing tradition to honor educators through a Teacher Tribute. This is a wonderful opportunity to recognize an outstanding teacher, educator and/or support staff at your school. Each \$75 donation honors one outstanding educator.

With each donation of \$75, the Teacher Tribute honoree will receive:

- A personalized, mailed letter from The Alliance with optional comments by the donor
- A notification to their principal, director, or supervisor
- Recognition on our website
- Honor at The Alliance for Early Childhood's Annual Networking Dinner in the fall
